MERRY CHRISTMAS!

Foot Ball Banquet
Held Wednesday

The annual foot ball banquet was given Wednesday night in the Pahoee school cafeteria for members of Coach Frank Robinson's 1941 Blue Devil eleven. The banquet is given each year by the Athletic Association.

David Town was chosen by his team mates as the most valuable player of the year. Harold Fletcher was chosen captain of the team.

Jack MacDowell, coach of Rollins college, was the speaker of the evening and showed several still life pictures in which the team played various opponents this fall. MacDowell was accompanied by Pahoee's Calvin Peacock and Kermit Dell, two freshmen players at Rollins and former Blue Devils.

Mackey Changes
Mind; Doesn't Quit

Following a story appearing in the pages of The Everglades News last week announcing the intention of R. B. Mackey to resign from the City Council, friends implored Mr. Mackey to change his plans and continue serving on the city board in his term expiring next May.

Mackey went to the City meeting with his resignation in hand, but after listening to the wishes of his friends at the last minute, no information was given as to whether Mackey will run for Council at the May election.

Pahoee Pupils To
Join In Defense
Efforts At School

The efforts of pupils at Pahoee High School to aid America's defense efforts won hearty applause from citizens throughout Palm Beach County. D. P. Casull, principal of the High School, expressed himself as being amazed at the minimum amount of effort and sacrifice being made by the pupils in an all-out effort to aid defense.

Newspapers throughout Florida have carried articles praising the students for both their initiative and their spirit of sacrifice.

The Pahoee City High School voted to cancel plans for the annual Junior-Senior banquet and to use the funds of approximately \$100 that are usually raised from the affair for local defense projects. The Senior Class has decided to discontinue publication of the High School annual and use this money for defense purposes.

In addition, students have agreed that all gift exchanging among them this year is to consist of United States Defense Savings Bonds.

The students have taken over 200 memberships in the American Red Cross and have set this figure as the minimum amount of memberships they will sell. A booth has been set up in the school patio and all gifts have taken charge of the drive.

Sales of defense stamps at the school are in the hands of the Pahoee Parents' Association. In addition the group this week purchased a \$100 defense bond. The school has invested \$100 of a school fund in defense bonds.

The Pahoee parents were broadminded this week as they kept tabs on the efforts of the students to do everything possible to aid America's defense efforts. Citizens in all walks of life have expressed admiration at the ability of the students to get things done. One citizen expressed himself saying "It is the spirit and the action of the Pahoee High School students multiplied by hundreds of other schools throughout the country that will win the war."

"Committee Of Fifty," Is Outgrowth
Of Meeting Of Pahoee Business MenPermanent Body To Be
Effected By Group At
An Early Date

Pahoee's long-felt need for an aggressive civic organization to promote the community and the interests of all citizens received an answer Friday evening when a preliminary meeting was held at the Pahoee Woman's Club. Temporary officers were appointed until a permanent organization of the group can be effected. The group will be known as The Committee of Fifty and it is hoped that every type of commercial and professional venture will be represented in the membership.

Prominent citizens attending the preliminary meeting were: C. A. Bailey, J. V. Thomas, Mayor John A. Dulany, Ivan Weeks, Paul Rardin, Joe Kahn, Abe Polrow, Don Elliott, Rev. J. E. Statham, B. Hillier, James Jones, Thurman Knight, Arthur P. Wolford, Darrell Smith, Paul Henshaw, J. Jensen, J. C. Caffey, P. M. Shaughnessy, W. C. Denton, L. L. Stuckey, Raymond Christman, and Councilman Ben Varing.

In an address opening the meeting, C. A. Bailey pointed out the need for such an organization and the need for united action on the part of all groups. "Growers, merchants, brokers and professional men will realize the tremendous benefits from such an organization that we propose forming," Bailey stated. "The growth and development of our community directly or indirectly affects every resident of the community. It is the merchant or grower, our great need is to prepare to grow. We must invite and secure new industries, business enterprises and new capital. A community cannot remain static; it must either grow or die. It is the responsibility of the community to see forward or backward leaders entirely upon the business leaders in the community."

"Certainly green beans are our most important product," Bailey stated. "It is the responsibility of you gentlemen know the fact that according to available statistics and medical and agricultural experts, the green bean is the most balanced ration that is only second to cow's milk. The right kind of publicity and advertising would easily and possibly triple the demand for green beans. Just think what that would mean to us!"

Asserting this was only one of many ideas that could be easily carried out by the group, Bailey pointed out the need for adequate weather forecasting which, he claimed, puts Pahoee in a definite disadvantage now. Bailey pointed out the need for mentioned the need of a canning industry and adequate highways, and that we can obtain the things we need by the united action of every person who has a dollar invested in the community."

Arthur F. Wolford of the State Frost Warning Service was introduced and gave a brief talk regarding frost warning service in the Pahoee area.

Upon completion of Bailey's talk the meeting grew enthusiastic and upon motion of P. M. Shaughnessy the group unanimously elected Bailey temporary chairman of the organization.

The Committee of Fifty then formed an organizing committee. A further development of the group is the near future at which time members will be called upon to elect the permanent officers. Upon motion of Paul Rardin, the Committee of Fifty set dues of \$30 per year per membership, payable in advance. The first election of Miss Peggy Joughin as temporary Secretary. Treasurer was elected to handle the activities of the meeting.

The meeting was one of the most enthusiastic ever held in Pahoee. Participants left little doubt that they intended the city to have an aggressive, city-wide organization to promote the interests of the community. It is hoped that the group may appoint a full-time executive secretary or manager to handle the affairs of the organization.

The season for the newly organized basketball league will officially get underway on January 1st at the Pahoee school. South Bay will play Division in the opening game of a double-header. Pahoee will meet Belle Glade in the second game.

New Yorker Killed
In Car Crash

Mrs. Edith L. Gill of Brooklyn, N. Y., was killed almost instantly during the thirteenth Tuesday, when the car she was driving overturned on Highway 143 just out side of Belle Glade. Mrs. Gill reportedly lost control of the car and witnesses claimed it overturned five times. Mrs. Gill was brought to the Everglades Memorial Hospital in Pahoee and died soon after entering the hospital. Death was due to a broken neck and internal injuries.

Mrs. Gill had been visiting in Inglewood for several months and was on her way to Belle Beach when the accident occurred. The body was placed in charge of the Everglades Memorial Hospital and was sent to Brooklyn yesterday night. The only known survivor is her father, Harry B. Rabold of Rutherford, N. J.

Need More Cash To
Defray Expense Of
Defense Council

H. M. McIntosh, Chairman
Says Only \$300 Given
Of Needed \$1000

Over \$300 was raised to help finance the Pahoee Canal Point Defense Council. The amount was raised during the first week of the drive but is still short of the goal of \$1000 set by the Council. It is estimated that it will be necessary to finance defense work in this area.

Officials of the Council expressed themselves as well pleased with the results thus far obtained but urged that there be no let-up in contributions. The fund needed for many activities of the Defense Council including the purchase of short wave sending and receiving sets, the manning of first aid stations, firefighting equipment and other equipment for air raid protection.

Contributions for the Defense Council will be accepted in any amount, but "left in the office of Mr. McIntosh at the Glades Finance Company on Main Street."

Officials will call at their homes to accept contributions. This service may be had by calling Pahoee 491.

Precooling Plant
To Be In Operation
By January 15th

Equipment Is On The
Ground At State Farm
ers Market Site

It is expected that the new \$33,000 pre-cooling plant adjacent to the State Farmers' Market in Pahoee will be in operation by January 15. The machinery and equipment arrived on location this week and the work of assembling the plant is being speeded by officials of the newly-formed Everglades Cooperative.

The Everglades Cooperative, The 165 horsepower diesel engine that will operate the plant being set up this week. Original plans called for the plant to be in operation by January 1st but it will be impossible to finish construction and assembling before the 15th.

The Everglades Cooperative was organized in October by Sam Chastain as president, L. L. Stuckey, vice president, Thurmond Knight, secretary and Walter G. Hull, treasurer. The cooperative plans to pre-cool celery and other vegetable crops grown in the four Glades farmers and the service will be available to other growers in the Pahoee Canal Point area. Officials said the cost for the service will be exactly the same as that charged the organization for the company for the conditioning of their vegetables.

The pre-cooling equipment was purchased from a local firm, assembled and shipped to Pahoee. The equipment is capable of pre-cooling a car of celery within 45 to 60 minutes. It is estimated that this speed will take care of the major portion of shipments from this area with little trouble.

Christmas, 1941

As we celebrate the birth of the Prince of Peace, our Nation is engaged in a tremendous war against those countries who deny the very existence of a Divine Being.

For those of us who are behind the front lines it is altogether appropriate that we pause to honor the Prince of Peace. It is fitting that we exchange greetings of hope and good will with one another. In a Nation filled with fear and anxiety for the fate of those who man our battle lines, it becomes important that we make our Christmase full of joy. It is important, too, that our joy be reflected to those at the front.

Let us all open our hearts and pray for "Good Will Towards Men". We here at The Everglades News and The Belle Glade News extend our heartiest greetings to all for a very Merry Christmas and a New Year brimful of prosperity, peace and contentment. May God bless us all!

First Aid Course
Will Begin At Once
For Glades Folks

Lynn Elarbee, Chairman,
Announces Schedule For
Pahoee-Canal Point

Lynn Elarbee, chairman of the First Aid Committee of the Pahoee-Canal Point Defense Council announced today that classes in first aid will begin immediately in this area. The classes will be conducted by officials of the American Red Cross and are sponsored by the Palm Beach County unit of that organization.

The classes are part of a nationwide program to equip ordinary citizens in the fundamentals of first aid in order that they may be available for call in the event of an emergency.

The initial class in First Aid will get underway Monday night at 8 o'clock at the Pahoee High School. This will be in the nature of an organization meeting at which all wishing to participate may register and receive information as to the requirements of the course. A similar meeting will be held in Canal Point on Tuesday night at 8 o'clock at the school auditorium.

All classes will be held in the evening and will last for two weeks as possible may attend the instructions. Classes will be held every two weeks for a period of five weeks. Each class will be of two hours duration. Officials of the Pahoee-Canal Point Defense Council urged men and women to attend the instructions. It was pointed out that the classes provide an unusual opportunity for everyone to receive valuable first aid training. The courses are given free.

After completion of the five week course, American Red Cross certificates will be given to all participating. Those who wish to enroll in a supplementary course consisting of 10 hours instruction in the more technical aspects of first aid such as the handling of victims of gas attacks, bombing raids, etc.

The Pahoee-Canal Point Defense Council will set up first aid stations in this area which are to be manned by those completing the course which start this week. The first aid stations will be set up in Pahoee and three in Canal Point. Officials of the Defense Council stressed the importance of these stations and the necessity for adequate personnel to man them.

Rotes Donate \$100
Cash To Red Cross

The Pahoee Rotary club at its regular weekly meeting Thursday announced a donation of \$100 to the American Red Cross. The club also voted a donation of \$10 to the migratory Christmas fund. It was also voted to loan the Boy Scouts \$25 to be matched by another organization in Pahoee in an effort to buy uniforms for those Scouts who cannot afford to buy them.

Miss Anita Mitchell presented several children from the Pahoee and Canal Point schools in an interesting musical program.

Impetus Is Given
Drive For Funds Of
'Committee Of 50'

C. A. Bailey, temporary chairman of the newly organized Committee of Fifty, reported yesterday that enthusiastic responses have been received in the drive for funds to the committee. He stated that over \$500 has been collected in the first three days immediately following Friday's preliminary meeting of the group.

The amount collected was taken as an indication of the wholehearted support to be given to Pahoee's new Committee of Fifty. A goal of \$1,500 has been set as the amount necessary to be collected before a permanent organization will be formed. Bailey said there was little doubt that this amount could be immediately raised.

Membership fee in the new organization has been set at \$40 annually. An organization meeting of the group will be held shortly. The Committee of Fifty is a group of all business and professional men in the City of Pahoee, organized to further the interests of the city as a whole and to take an active part in the development of the community.

Bean Prices Firm;
Shipments Decline

The movement of green beans to Northern markets showed a decline this week but total shipments were somewhat higher, than most experts figured. Prices held firm with a slight rise on some shipments. Average sales were reported as hovering between \$1 and \$1.50. It should be noted that all figures given in this column as well as prices do not include shipments of canned beans which were extremely heavy during the week.

Other vegetables are taking the place of green beans in shipping days. Chief Baxter is to make a report of the collection at a next meeting of the Council. The Council asked Mayor Dulany to be delegated to collect in the event of any individual or firm failing to pay the tax within the time limit.

The Council approved a motion to purchase 25 police badges for the new deputies sworn in last week as part of the defense effort. The city is to purchase the badges only in case the Pahoee-Canal Point Defense Council fails to do so.

The combined forces of the Community Methodist Church in Belle Glade will present a Christmas program Sunday at 5 p. m.

An effort to buy uniforms for those Scouts who cannot afford to buy them.

Miss Anita Mitchell presented several children from the Pahoee and Canal Point schools in an interesting musical program.

Red Cross Off To Excellent Start
In The Lake Okechobee RegionMiss Hooker To
Wed Mr. Creech

Announcement was made today of the coming marriage of Miss Nancy Lee Hooker, daughter of Mr. and Mrs. W. R. Creech of Belle Glade, to Mr. Robert Y. Creech, son of Mr. and Mrs. Robert Y. Creech, also of Belle Glade.

The wedding will take place on Sunday, December 28, at 5 p. m. at the Community Methodist Church of Belle Glade. The Rev. J. Jameson, pastor, will officiate. No invitations have been issued and the many friends of Miss Hooker and Mr. Creech are invited to be present at the wedding ceremony.

The young couple both attended Pahoee High School and graduated in 1938. Miss Hooker has been a student at Bridgewater College in Virginia and Mr. Creech at the College of Optometry in Chicago. The young couple plan to reside in Chicago where the bride will continue her studies at the University of Chicago. Mr. Creech will complete his course at the Optometry College.

Defense Workers
Complete Groups
To Carry On Work

DeMoya, Chairman, Has
Held 17 Meetings To
Organize Work

Defense workers throughout the Glades have been working night and day since the declaration of war to make sure that every possible precaution has been taken to provide adequate defense and emergency services. P. M. DeMoya, chairman of the Pahoee-Canal Point Defense Council said a total of 17 meetings were held during the week to perfect plans for defense.

In the Pahoee Canal Point area headquarters have been set up at the Pahoee "Elks" Club. During the week 20 deputy policemen were sworn in by Chief of Police Harry Baxter. In addition ten deputy clerks were also sworn in.

A Woman's Participation Committee was formed Tuesday night at the Elks' Club. The meeting was attended by Mrs. W. R. Masser, chairman of the Pahoee-Canal Point County unit. Mrs. F. M. Shaughnessy was elected chairman of the Pahoee-Canal Point local branch.

Members were elected: Nutrition, John A. Dulany; Recreation, Mrs. J. V. Thomas; Home Economics, John A. Dulany; Conservation, Mrs. W. H. Vann; Consumers Interest, Mrs. B. Elliott and Mrs. Wal.

A fingerprinting committee of the Defense Council was set up Tuesday night. The chairman, master Edward A. Jensen of Pahoee. All volunteer workers of the Defense Council must be fingerprinted and Jensen said arrangements have been made to take fingerprints at the Pahoee Post Office throughout the day and at the Elks' Club in the evening.

Thad Whidden, chairman of the Men's Motor Corps, called for volunteers to aid in manning an anti-aircraft squad. Whidden said volunteers must not be less than six feet tall, own a fast sedan, be ready for call at any hour of the day and night and be of unquestioned loyalty.

There was much activity during the week among the various air raid committees and sub-committees of the Defense Council. O. B. McSherry, chairman of aircraft observers, P. M. Shaughnessy, chairman of air raid service; Jess Elliott, chairman of air raid wardens and 77 trucks gathered out of this area are expected to hold up well for the present although a slight decline in prices during the week was noted.

The movements on vegetables on the market during the week were as follows:

	Cars	Trucks
Green Beans	101	73
Peas	11	2
Potatoes	22	2
Radishes	6	2
Mixed	5	2
	145	77

*No figures available.

The Annual Christmas Tree sponsored by the Rotary Club of Pahoee will be held at the Belle Glade City Park Monday night.

Volunteer Workers Speed
Drive To Fill County's
War Quota

A special drive to raise immediately \$50,000.00 for the American Red Cross War Relief Fund started throughout the Nation this week after President Roosevelt issued a proclamation calling on all citizens to support the drive. In Palm Beach County, 1,000 volunteer workers started an intensive house-to-house canvass to raise the County's quota of \$45,000. In addition to the war quota the county must also raise \$23,225 in memberships to be used in carrying on the regular philanthropic work in local communities.

Officials of the Red Cross emphasized the fact that every penny collected will be used for the relief of Americans only. In case of bombing or disaster on American soil the Red Cross stands mobilized and ready for action.

Quotas of \$2,000 each have been set for Belle Glade and Pahoee. The Canal Point quota has been set at \$500. The drive in these communities is headed by R. Elliott, Rardin, Jensen, Mrs. F. M. Wilson, Canale and W. P. Risk, Belle Glade.

A note of humor was injected in the campaign when two Canal Point volunteer workers Mrs. W. P. Jensen and Mrs. Paul Rardin, canvassed the Ridge section north of Canal Point. They stopped at the home of one family and the woman of the house listened very attentively as they outlined the need for the Red Cross. She emphasized the immediate need for funds to carry on relief for war victims.

The woman agreed that the Red Cross was needed. She said, "I've seen a lot of people in the hospital, but I've never seen a Red Cross nurse." The woman agreed that the Red Cross was needed. She said, "I've seen a lot of people in the hospital, but I've never seen a Red Cross nurse."

Pahoee Bank Has
Upward Spurt In
Bond, Stamp Sales

\$1,850 In Bonds & Stamps
Sold Since War Was
Declared

Along with the rest of the Nation, the Pahoee State Bank and Trust Company has seen an upward spurt in the sale of defense bonds and stamps. The bank has sold over \$1,850 in bonds and stamps since the war was declared.

J. C. Caffey, president of the Bank of Pahoee, announced sales of defense bonds and stamps. He said the bank has sold over \$1,850 in bonds and stamps since the war was declared. He said the bank has sold over \$1,850 in bonds and stamps since the war was declared.

Defense stamps may now be purchased through local merchants. This is a part of a great "Retailer's Defense Drive" that is being carried on all over the Nation.

The response of citizens of all types to the drive to sell defense bonds and stamps was heartening to officials of the Pahoee-Canal Point Defense Council. The bank has sold over \$1,850 in bonds and stamps since the war was declared. He said the bank has sold over \$1,850 in bonds and stamps since the war was declared.

ARMY ASKS CO-OPERATION

An appeal to civilian drivers of automobiles to cooperate with the Army in movement of convoys through the eight southern states has been voiced by Lieutenant Colonel C. W. Richmond, Motor Transport Officer on the staff of Brigadier General James L. Frink, Fourth Corps Area Quartermaster.

"Troops and equipment must be continuously moved if the Army is to get the proper amount of training during their short term of service," Colonel Richmond said, "and the only place that they can travel is on the highways."

Drivers of private vehicles were asked by the Quartermaster Corps to avoid cutting into convoys while traveling in the same direction, and to use caution in passing other cars while meeting the line of Army trucks.

Convoys are routed, whenever possible, to avoid large cities and highways bearing heavy civilian traffic. When convoys do have to go through towns, however, the sections of the line, ordinarily spread out on the highways, close up to permit fast passage through congested districts. Civilians were

asked not to attempt to cross the convoy line while it is in progress through cities.

The Quartermaster Corps, responsible for the movement of the troops by both rail and motor transport, has adopted rules governing the action of convoys while en route, and have asked local authorities to assist in preventing traffic congestions.

State and city officials are requested by officers in charge of the convoys to furnish police escorts to clear the way for the Army trucks. At all intersections where traffic is heavy, either a civilian or military policeman is stationed to direct both civilian and military vehicles. — The Hollywood Sun.

HEED FISH AND GAME LAWS!

If you ever have the urge to break a hunting or fishing law in Florida, this is warning in advance that you run a big chance of being apprehended in the act or found guilty in some other way. Records in the office of the commission of game and fresh water fish at Tallahassee show that hunting out of season is the evil urge to which most offenders fall prey. A total of 201 arrests were made during November, largest number reported in several years. In all, 39 were fined for jumping the gun and hunting before the season opened. Other violations resulted in arrests as follows: Hunting without a license, 27; fishing without a license, 17; hunting in game breeding ground, 13; possession of undersized fish, 10; discharging firearms on State Roads Nos. 26 and 273; possession of closed day, 6; selling fish without a license, 5; taking game after sunset, 4; renting hosts without a license, 3; trapping during closed season, 2; discharging firearms on Tamiami Trail, 2; fishing with more than one pole, 2; taking wood duck, 2.—Titusville Star-Advocate.

Glades Glances—

(continued from page 2)
Georgia to spend the holidays with his mother, Mrs. Ora W. Powell.

Mr. and Mrs. Don Jordan are off to New England to spend two weeks visiting.

Mrs. Paul Rardin will leave today for Glenville, Ga., where she will spend Christmas and the holidays with her parents, Dr. and Mrs. W. O. Strickland.

It will be a bright Christmas in the Everglades despite the war clouds. Many parties have been arranged throughout the season to compliment students home from their studies and our young men home from war preparations.

Canal Point Pupils Stage Pageant

The Canal Point Public School presented the first Christmas pageant and public performance in the new school auditorium Wednesday evening that has been shown in several years, due to lack of facilities.

The beautiful performance was witnessed by an enthusiastic audience of patrons and friends of the school. The many visitors attending the program stated that it was the best of its kind they had seen in many years. The costumes were perfect in every way, the lighting was very effective, and the general order of the performance went off like a clock.

The program opened promptly at eight o'clock, with the playing of four pipe organ selections: "Trees," "Irish Air," followed by "Christmas Fantasy—Part 1 and 2." Mrs. D. D. Caudill rendered "O Holy Night" in her usual charming manner.

Immediately following the song, the Christmas story was told in pageant and song by the pupils of the upper grades of the school. After the Christmas bells, the choir entered singing "O Come, O Come Emmanuel" and "I Came Upon A Midnight Clear." The tableaux followed: The Shepherds, A Multitude of Heavenly Hosts, Let us unto Bethlehem, The Three Wise Men, Mary, Joseph, and the Babe lying in the manger, and When the Wise men worshipped. These tableaux were interspersed with the following Christmas carols: "Angels, We Have Heard On High," "O Little Town of Bethlehem," "We Three Kings of Orient Are," "What Child Is This?" "Silent Night," "Joy To The World," and "Advent Placidia."

The Reader, Yvonne Fraser, quoted the story in bible verses as the tableaux and songs were rendered. Yvonne's part was capably done and well received.

Other leading parts were Joseph, Jumper Reed; Mary, Ann O'Connell; Shepherds, Dwight Geiger, Cleatis Scott, Samuel Jordan, Billy Jernigan, and Buddy Sims. Wise Men were: Charles Singletary, Junior Howell, and Junior Herring. The Angels, in their beautiful scene, were Louise Snyder, Lucille Snyder, Thelma Geiger, and Helen Stokes.

The singing by the young choir was superior in quality of voice and showed much effort and training on the part of the pupils and the teachers. The choir was composed of Patsy Ann Geiger, Peggy Powell, Elizabeth Pope, Opal Hires, Irwin Miller, P. M. Masters, Clarence Padgett, Snayra L. Cox, Delona Martin, Betty L. Reeves, Annette Groover, Max Wilson, Harlan Sears, Louise McNeil, Mary Helen Hooks, Lena Goodson, Lela Echols, Barbara Wooten, Bill Reeves, Andrew Hayes, Lillian Runkel, Beverly Chastain, Charles Stokes, Gene Williams, Bill Phil, Myrtle Smith, Charlene Johnston, Betty Ann Sears, Martha Swigg, Zani Gale Kimball, Cissy Taylor, Betty Altman, Doris Simmons, and Venera Weeks.

The music for this pageant was under the direction of Miss Anita Mitchell, music supervisor. Miss Sue Maxwell, Mrs. Martha Mitchell, and Mrs. Laurie Holt. The tableaux were guided by Mrs. Gladys Harrington; Lighting by Fred Barshel; Curtains by Ray Hawk; and Choir robes by Mesdames Ruth Dopp and Wilma Lence. No story of the performance would be complete without mention of J. B. Cox, principal, under whose general direction and valuable assistance the performance was produced.

CARD OF THANKS

We desire to express our sincere thanks to the many friends for their expressions of sympathy during the illness and death of our husband and father J. E. G. Kilpatrick, Sr. We shall always remember these kindnesses.

Mrs. E. G. Kilpatrick, Sr.,
Willie Lee McKinnon,
Lillian Kilpatrick,
E. G. Kilpatrick, Jr.

Street Markers Being Erected

Tourists and strangers will find their way easier through the streets these days. During the past week street markers have been placed on all principal intersections throughout the city. Some oldtime Pahokee residents are chortling because they are finding out the names of some of the street for the first time.

The signs are made of wood and against a painted background of white, black letters have been stenciled in. The markers are attached to street light poles.

Christmas Carols

CHRISTMAS

The singing of carols at Christmas time is one of our oldest and best customs. The carols express in words and in melody what we feel in our hearts during the Christmas season but is otherwise hard to express. The singing of "Peace and Good Will" go deeper into the heart than mere words alone could make them do.

When we wish for you joy ever abiding, Peace and Happiness, we hope we will strike a responsive note in your hearts as though it were sung.

Season's Greetings

GO TO CHURCH SUNDAY

Do You Remember When These Happenings Took Place

15 YEARS AGO

Here On The Shores of Lake Okechobee?

Between three and four car loads
of beans are being shipped daily
over the boat line via Clewiston
from South Bay.

The engagement of Miss Gladys
Weathers of Shelton, Ga., to Earl
E. Mallard of Canal Point, was
announced last week in the At-
lanta Journal. Miss Weathers is a
teacher in the Canal Point school
and Mr. Mallard is an employee
of the sugar company.

Farming has been resumed at
Rita after a standstill following
the September hurricane.
A. Kaltenbrunner has a new elec-
tric sign with the word "Gasoline"
over his filling station.

Dr. E. D. Harris, who has owned
land on Kreamer Island for several
years, has resumed the position of
county veterinarian of Okechobee
which he resigned last year. Dr.
Harris was state veterinarian for
several years leaving that position
to enlist in the army for service
in France.

On Christmas eve Santa Claus
will be at Mrs. A. Kaltenbrunner's

novelty shop. All children are in-
vited to come to see him.
Miss Lola Elliott will work in
the Pahokee post office the rest of
the season as the postmaster, G. C.
McLarty is farming.

Thursday night Dec. 23 a de-
lightful comedy "Miss Molly" will
be presented at the Pahokee theatre.
Those taking part will be E. G.
Kilpatrick, Charles M. Todd, Leo
Maxwell, Mrs. W. H. Lair, Miss
Margaret York, Mrs. Charles M.
Todd, Miss Hilda Lee and Mrs.
J. R. York.

Several men from Pahokee were
out hunting last week. The lucky
ones were J. C. Tabb, T. S. Spoon-
er and Dots Tabb, 11 year old, who
killed a deer.

Including some hampers from
Kreamer Island 350 hampers of
beans has been shipped from the
Canal Point section so far this
season. Spooner & Wilder will ship
some tomatoes from their patch on
the St. Lucie canal between Port
Mayaca and Indianlowen Next
Week.

Twenty-two carloads of beans
have been shipped from the Belle
Glade area since the start of the
harvest season.

A loading station will be estab-
lished by the Florida East Coast
rail road where the Belle Glade
Pahokee road crosses. The station
will be ready by January 15 and
will give growers Refrigerator
car service.

The City of Moore Haven has
been turned back to the citizens
by the government. The town has
been made livable after the storm
in September and the light and
water plant has been turned over
to the city by the drainage board.

**C. P. Methodists To
Present Drama**
The Canal Point Methodist
Church is presenting a stereoscopic
version of the famous book by
Van Dyke, "The Other Wise Man",
at the Sunday night service. The
time is 7:30. Following the pic-
tures White Gifts will be pre-
sented at the altar in commemora-
tion of the gifts brought to the Christ
Child. These gifts will be used for
those who may be in need this
Christmas.

You are invited to bring your
gift and worship with us. We ex-
tend to all the BEST WISHES OF
THE HOLIDAY SEASON.

**War Not Expected To
Affect Tourist Travel**

JACKSONVILLE, Dec. 18 (FN.
S.)—Railway men do not believe
the entrance of this country in the
war will greatly effect tourist
travel to Florida this fall and
winter.
Official of the Seaboard Airline
Railway report a 20 percent in-
crease in reservations over a year
ago.

While military operations may
present a problem from the equip-
ment standpoint, officials believe
they will be able to care for tourist
traffic needs and point out that
new schedules and recently added
equipment should prove capable
at meeting the situation.

Canal Point Baptist Church

S. B. Jordan, Pastor
Sunday School will be at 10:00
o'clock. J. H. Bordeaux is Supt.
Morning Worship begins at 11:00
o'clock. Special music by the
Choir. The pastor will bring his
message on the subject, "JOY TO
ALL PEOPLE." He invites the
public to hear this Christmas mes-
sage.
Gifts of provisions to fill the
Christmas baskets will be received
at both services Sunday.
The evening hour of worship be-
gins at 7:30. The pastor will
preach.
Tuesday evening there will be a
Christmas tree and a Christmas
play given for the Sunday School.

Canal Point Methodist Church

Church School 10:00 a. m.
Morning worship 11: "God In-
vades The World"
Young Peoples Services 6:30
p. m.
Evening Worship: "THE OTH-
ER WISE MAN" In Stereoscopic
slides followed by the WHITE
CHRISTMAS gifts presented at
the altar.

**May Your Holidays
Be The Best
You've Ever Had**

We greet you in the spirit of the holiday
season.

We are at all times interested in our com-
munity and want to contribute what we can
in a physical, moral and material way to
make it a better and happier place for our-
selves and our fellow citizens to live in. We
shall consider it an honor to have your friend-
ship during the New Year.

**MERRY CHRISTMAS
PROSPEROUS NEW YEAR**

By Russell Kay

The most interesting mail reaching my desk this morning came from my personal friend Van Dusen of the Pan-American Airways. While news dispatches have given us some of this information, details were lacking and Van's letter tells a thrilling story of sufficient interest to justify publication. Here it is:

"At 12:30 A. M. (8:00 o'clock Hawaii time) the Sunday watch at Pan-Am's Pacific Division Headquarters at San Francisco had just filed their mid morning report. The Anzac Clipper, Hawaii bound, was an hour and a half out of Honolulu; the Pacific Clipper was en route from Noumea to Auckland; the Philippine Clipper just out of Wake on the way to Guam; the Hong Kong Clipper ready to leave Manila for Kowloon."

"At 10:30 the incredible word was flashed from Honolulu. Pan-Am's staff went into action. In less than five minutes every ship and every ground station on the whole 20,000-mile network of our trans Pacific routes had been contacted and switched from peacetime flying to the long trained and well rehearsed 'Plan A'."

"When the Japs flew over Diamond Head on their way down Pearl Harbor, one word was flashed simultaneously telling our ships and stations all they needed to know. Radio was silenced, ship lights blacked out, heading changed to pre-determined courses. Every pilot, every ship crew and ground station knew exactly what to do and did it."

"Swinging from her regular course, the Anzac Clipper avoided the zone of attack and landed safely. Passengers got the news after landing. The big ship was serviced, refueled and was soon on her way to San Francisco."

"To the south seas the Pacific Clipper altered her course and landed safely at Auckland."

"The Philippine Clipper had just departed from Wake, enroute to Guam and Singapore. Being about, she returned to Wake and landed safely just as the first Jap bombers swept the island. Capt. Hamilton took cover near the dock and watched the attack. Eighteen enemy planes, in 'V' formations of nine each, dropped their deadly cargo. The hotel was set afire; buildings, docks and fuel installations bombed; the construction camp machine gunned. The attack lasted only 5 minutes."

"His gallant Clipper, riding at anchor, miraculously escaped the only damage being a few bullet holes in her fuselage. Returning to their ship, the crew and passengers took off for Midway. Forty miles from their destination they sighted a light cruiser and a destroyer heading on a course toward Wake and this information was flashed to the Naval Commandant. (Subsequent reports tell of the sinking of these ships by American fire.)"

"Midway was completely blacked out as was the Clipper, but Hamilton landed safely in the lagoon to learn that the island had been shelled by surface craft, undoubtedly the ships he had sighted on the way in. Ground crew quickly serviced and refueled the Clipper and again it was under way headed for Hawaii where she came to anchor with all hands safe."

"Farther out in the Pacific, Capt. Fred S. Ralph was winging his Hong Kong Clipper toward Kowloon, arriving there a scant five minutes ahead of the Japs, but that was long enough to discharge passengers and mail and

run for cover. The air was black with enemy planes and bombs dropped like hail. Wave after wave they came, but it was not until the twelfth attack that the Clipper was hit and Ralph saw his beloved 'Myrtle' go up in flames—the only Pan-Am craft that was lost."

"So there you have the high spots. I can't tell you more because of the blanket of precautionary silence, but our Pan-Am stations still report from Manila, Singapore, Wake, Midway and the South Pacific 'STANDING BY.'"

"All America has cause to be thankful for the courageous pioneering done by Pan-American in

charting and routing the airways of the Pacific. The knowledge and information gained is worth its weight in gold to our military effort."

"You can rest assured that American commercial aviation will do its part—ready, alert and always 'STANDING BY.'"

The Florida National Exhibit will continue their efforts to "sell" and this winter plan to feature attractive state exhibits at important national conventions such as the meeting of Agricultural Secretaries in Columbia, the Sportsmen's Show in Boston and the Florida State Fair in Tampa.

Christmas Carols in the Camps

Feature American Soldier's Yule

LUCKY indeed is the soldier who obtains a Christmas furlough and spends a portion of his holiday season at home, but what about those hundreds of thousands of American boys in our Army who will remain on duty in the cantonments and island bases and in garrisoning distant outposts?

The answer is voiced in a song, a glorious hymn that will be heard from virile young throats singing in praise of Him in whom repose mankind's steadfast hope in this dark hour of the world's history.

The hymn, a favorite of the American soldier and of his fellow-bears in arms since colonial campaigns, "O Come All Ye Faithful" will be sung in 200 new Army chapels where this year Christmas services will be held for the first time in his spiritual life. Army chaplains declare, the citizen soldier finds the closest tie linking military duties with the cherished customs of his home. Especially among young men from the farming communities and the towns and smaller cities the observance of Christmas in the camps will not be unlike the programs in churches throughout the land where friends and neighbors assemble for the Christian festival. In Army chapels the same midnight services will be held, the youthful worshiper will join in the same inspiring music, he will hear again the same messages of hope, the same fervent prayers for peace and good will.

During Yuletide the singing of familiar carols will enliven the camps, not only in the training areas at home but the same music of cheer and comfort will echo from the cliffs of Iceland and the wastes of Greenland as well as among the tropic shores of Trinidad, Guiana, and the Orient. For the Chief of Chaplains has announced the distribution of the new Army and Navy Hymnal, a book containing the best in sacred themes, subdivided for Protestant, Catholic, and Jewish forms of worship. Special visitations will be made to the hospitals. Neither will the inmates of the guardhouse be overlooked.

Greyhound Track Opens Next Week

Five hundred of the fastest greyhounds in America are now kennelled at the Palm Beach Kennel club awaiting the opening of the 90 night meeting which begins December 27.

Schooling of these speedsters will begin December 18. According to the State Racing Commission, each greyhound must be schooled twice before it is permitted to enter an official race.

Special attention this year is being called to the schooling races by general manager H. Phil Bryan. The time of the winners in each

of the races staged will be announced and published so that the patrons will have a complete line on the greyhounds when the season opens. By knowing what each dog can do over the various distances, the patrons will enjoy the races more.

Training Secretary Allen Macke has announced that one of the greatest dogs in the country will allow his speed at the local oval when Magnificent Mike performs. Mike is said to be the fastest greyhound in America today.

All indications "inspire" the fact that the track will have its greatest season. The State Racing Commission recently passed a ruling prohibiting all dog tracks from issuing passes. This however will not be much of a hardship upon the fans for the admission will be but 25c cents.

Pahokee Baptist Church

"The annual Christmas tree and treat will be conducted on Friday night this week, at the church with the following program:

Western Union Messages by Billy Van Meter

We Three Kings—Pantomime

Piano Solo—Margaret Powell

obligate will be rendered by Miss Betty Spear. The program will be presented in candle light and flour-decoy blue overhead, depicting night. The tree with the "Star of Bethlehem" will complete the lighting arrangement. Rev. C. A. Stoberg will direct, with Mrs. F. Elder at the piano. At the morning hour of eleven, the pastor will preach a special message commencing with the season. The choir will sing "O Holy Night." The Sunday School members voted to purchase blocks for the new building as Christmas gifts.

The Central Florida Fair and Exposition is scheduled for Feb. 28-28 at Orlando, officials announced this week. The coming

show will be the 33rd annual event.

"Remember Pearl Harbor." Your dimes, quarters and dollars invested in Defense Savings Stamps and Bonds will help provide ships, shells and planes to give Japan America's answer.

MYRL WILLIAMS · J. H. DUNHAM · JAKE GRAY

GIVE YOUR CAR HIGH ANTI-KNOCK IN BOTH SPEED RANGES

Don't you find that you drive your car mainly in the two speed ranges symbolized by these boats? You use the low speed range in traffic and the high speed range on the open road. Therefore for knockless driving, you need a gasoline that gives high anti-knock in both these speed ranges—not in just one.

Sinclair H-C Gasoline gives you this Double-Range Anti-Knock. The reason is that H-C goes through two special processes in the course of refining. Ask your nearby Sinclair Dealer for a tankful of Sinclair H-C Gasoline today. It gives you Double-Range Anti-Knock, yet sells at the price of regular grade.

A. E. Kirchman, Agent
